

Erasmus for Young Entrepreneurs

Oslavy 15. výročia programu Erasmus pre mladých podnikateľov: posilnenie postavenia podnikateľov a ich cezhraničné prepojenie

Erasmus for Young Entrepreneurs (EYE) is an international exchange programme designed for entrepreneurs.

It focuses on transforming entrepreneurial ideas into reality, overcoming initial difficulties with starting and running a business, growing businesses internationally and forging business partnerships. New or potential entrepreneurs gather and exchange knowledge and business ideas with an experienced entrepreneur abroad, with whom they collaborate for a period of 1 to 6 months.

It is a win- win collaboration!
